Some helpful guidelines for embroidery

-this design is for home use only!!

-this is designed for an 8" hoop

Dandelion:

-middle: French knot

- "petals": whipped back stitch & individual straight stitches

*I used whipped back stitch for all the stems

Rose:

-woven wheel stitch

Sunflower:

- middle: french knot
- Petals: vertical satin stitches

Tulip:

-long individual chain stitches

Lily of the valley:

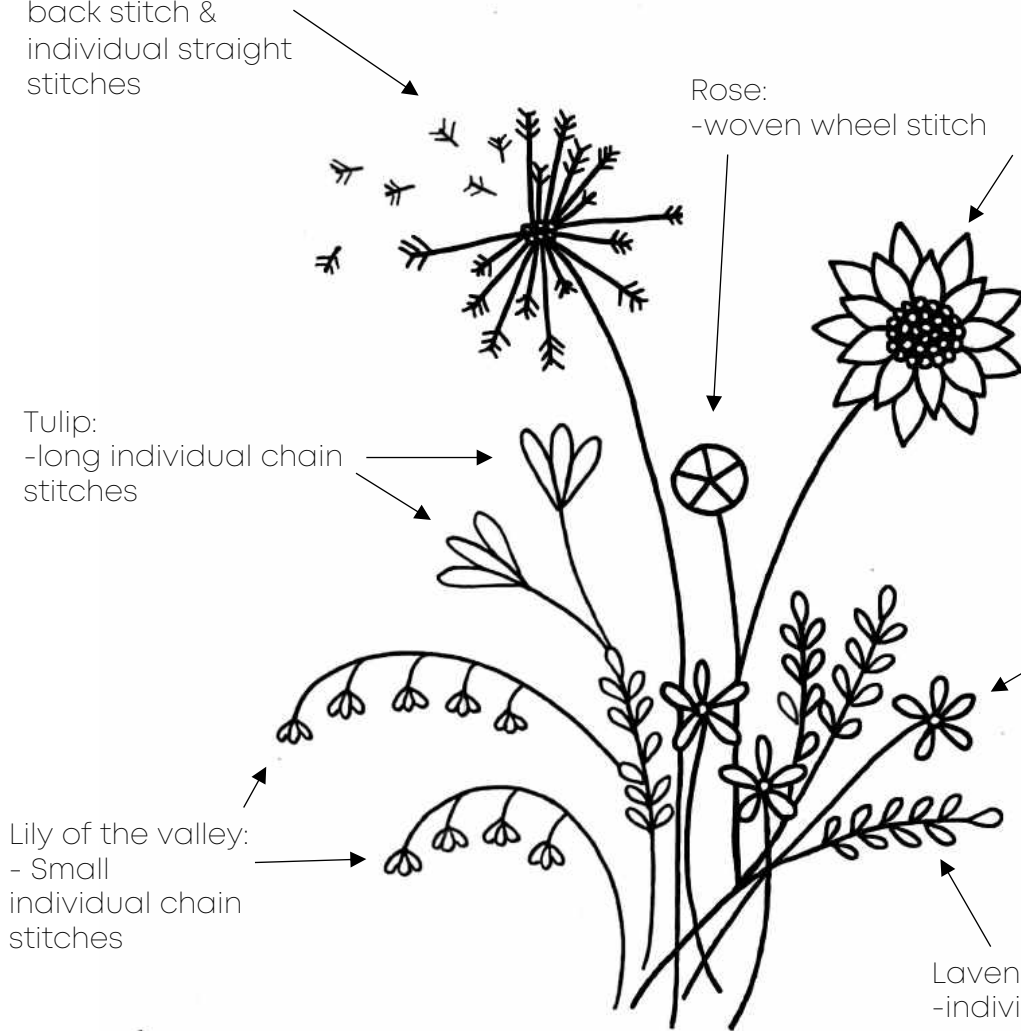

- Small individual chain stitches

Daisy:

-middle: french knot
-Petals: lazy daisy stitch

Lavender:

-individual chain stitches

How to transfer it onto fabric?

1. Print the first page
2. Tape it on the window (this will be our source of back light)
3. Tape the fabric on the top of the design
4. Draw it around using a pencil or other kind of marking tool

If you want to get materials, equipment & access to online tutorials where I teach you all these stitches, please, visit www.upcycily.com and purchase one of my embroidery tool kits.

If you stitch this design, please upload it on social media and tag @Upcycily

Happy stitching!
